Al Shams tomato paste is made from our in-house produced tomato concentrate using the finest Egyptian fresh tomatoes and the highest standard quality and production process.

We have a wide range of Tomato Paste concentration ranging from 18 brix to 30 brix packed in Tin cans or Glass jars with different weights from 70 grams up to 3 Kgs

Our tomato paste is produced from natural tomatoes with no additives or preservatives, manufactured under Egyptian Quality standards No. 132-1/2005.

## Tin cans

| Product | Packing | Packs per Pallet | Pallets per Trailers | Pallets per 20" | Loose Loading per 20" |
|---------|---------|------------------|----------------------|-----------------|-----------------------|
| 70 g.   | 50      | 368              | 22                   | 10              | 4,320                 |
| 140 g.  | 25      | 368              | 22                   | 10              | 4,320                 |
| 400 g.  | 24      | 144              | 22                   | 10              | 1,875                 |
| 800 g.  | 12      | 128              | 22                   | 10              | 1,875                 |
| 3 Kg    | 4       | 99               | 22                   | 10              | 1,660                 |

## Glass jars

| Product | Packing | Packs per Pallet | Pallets per Trailers | Pallets per 20" | Loose Loading per 20" |
|---------|---------|------------------|----------------------|-----------------|-----------------------|
| 300 g.  | 12      | 340              | 22                   | 10              | N/A                   |
| 360 g.  | 12      | 255              | 22                   | 10              | N/A                   |
| 720 g.  | 12      | 125              | 22                   | 10              | N/A                   |
| 1 Kg    | 12      | 90               | 22                   | 10              | N/A                   |
| 1.3 Kg  | 6       | 140              | 22                   | 10              | N/A                   |
